HOME

On mobile and tablet

A dark blue navigation bar for mobile and tablet views. On the left, there is a small circular logo with a white 'B' inside. On the right, there is a white hamburger menu icon consisting of three horizontal lines.

The hero section features a man with a beard and glasses, wearing a grey sweater, smiling and resting his chin on his hand. He is positioned on the right side of the frame. The background is a dark, atmospheric image of a mountain range with snow and rocky peaks. On the left side, there is a large white heading 'Discover my Amazing Art Space!' followed by a line of code: '<code> I build design mockups. | </code>'. Below this, there is a yellow button with the text 'EXPLORE NOW'. At the bottom of the hero section, there is a dark horizontal bar with five white text elements: '10 + Years Experience', '143 Completed Projects', '114 Happy Customers', and '20 + Honors and Awards'. The fifth element is partially cut off on the right.

A 3x3 grid of service cards for a web design agency. Each card has a title, a paragraph of Lorem Ipsum text, and a 'ORDER NOW' button with a right arrow. The cards are arranged in three rows and three columns. The first row contains 'Web Development', 'UI/UX Design', and 'Sound Design'. The second row contains 'Game Design', 'Advertising', and 'Photography'. The third row contains 'Web Development', 'UI/UX Design', and 'Sound Design' again. Each card has a dark background with white text for the title and button, and light gray text for the Lorem Ipsum paragraph.
